EXPERIENCE

DGM – UX Copy & Strategy · Airtel Jul 2020 – present

- UX copy and content strategy across the Airtel Thanks app and Airtel IQ, leading a team of writers.
- Engage X campaign platform: glossary, naming and string patterns for every component. 66% less campaign setup time, 2× click-through with multi-channel campaigns, ₹30 Cr revenue in one quarter (product results).
- Bill Simplification: content lead from problem framing to UAT; changed how late fees are charged. Targeting 20% fewer billing contacts in Q4 2026.
- Help homepage redesign around user intent: ~10% fewer drop-offs, ~2% better chatbot conversion (team results).
- AI navigation (Ask Me Anything, Next Best Actions): tone, trust guardrails and readability standards; trained the model.
- Airtel Finance copy changes: +15% loan and +10% credit card applications (team results).
